

A DAY OF HOPE & HEALING

Are you still grieving? Has it been awhile but you still feel “stuck?” Struggling with unforgiveness or frustration about the future?

Join us for an “Adventure into the Interior Life” where the greatest hope and healing can be found. The day includes workshops and group exercises that cover:

**HAPPINESS * GRIEF * HOPE *
REBUILDING * LOVE**

THIS DAY IS FOR YOU !

Included is a lively, open Q & A session where you can bring your most difficult and challenging questions!

Spread the word; bring a friend.
